

JOHNSTON RIDGE

Description:

This is the back 3/4 or so of Tour de Blast. It's all the climbing you'll see at the Tour. It's an out and back so one could take on any distance desired. There is a very good shoulder on the road and excellent scenery.

Ride Statistics:

Distance: ~**65 Miles**

Elevation Gain: ~**8000'**

Climbing: **See Below, this is a climber's course**

Duration: **Plan 4 Hours**

Difficulty*: **5 out of 5 (Strenuous)**

Elevation profile:

Directions:

- 1) Spirit Lake Highway about 5 miles past Kid Valley and 5 before Hoffstadt Bluffs – We'll be parked there in a turnout.
- 2) A couple groups will likely form.
- 3) We'll try to regroup at a couple spots like Elk Rock or the Ridge, otherwise just out and back
